# Sennheiser TCC M Plus & Pleneo Room Kits

## Partnership benefits

With Sennheiser TeamConnect Ceiling Plus, the Pleneo Room solution delivers seamless integration through secure API connectivity and Dante audio-over-IP streaming. Supporting up to four ceiling speakers, the solution provides a scalable, conferencing experience with simplified deployment, centralized cloud management, and highquality audio performance for modern meeting spaces.

## System Components

| QTY | Manufacturer | Model                      | Description                                               |
|-----|--------------|----------------------------|-----------------------------------------------------------|
| 1   | Sennheiser   | TeamConnect Ceiling M Plus | TCC M Plus firmware version 1.0.0 (or later)              |
