

Spectera SEK

Microphone allow list

MICROPHONE ALLOW LIST

The following chart shows the approved microphones that we have tested to work with Spectera. We will add to this list as we test more microphones.

If the microphone you are looking for is not on this list, there may be a risk that it will not be appropriate for use with Spectera at this time.

Manufacturer	Model	Notes
Sennheiser	Headmic 1 (3-Pin)	
Sennheiser	Headmic 4 (3-Pin)
