

BTD 800 USB ML

The BTD 800 USB ML is a PC dongle designed to work seamlessly with a range of Sennheiser Bluetooth® headsets.

Certified for Skype for Business

Together with the BTD 800 USB ML, Sennheiser MB 660 UC MS, PRESENCE™ UC ML, MB Pro 1 UC ML and MB Pro 2 UC ML headsets provide you with excellent communication capabilities and user-friendly call control functions that allows you to maximize the potential of Skype for Business.

Plug n' play

The BTD 800 USB ML provides your computer with a rapid Bluetooth® connection to the headset without requiring any technical installation. This ensures an excellent voice and sound experience.

Increased range

Now you can get the freedom to move up to 25 meters / 82 feet from your PC with dongle – depending on your device and environment.

Security

The BTD 800 USB ML exclusively supports audio, therefore no data exchange is possible making it very secure for businesses.

BENEFITS AND FEATURES

- Certified for Skype for Business in combination with a Sennheiser Bluetooth® headset – simply plug in to your PC or SDW 5000 base station and connect your Sennheiser Bluetooth® headset
- Mobile connectivity - plug in to your SDW 5000 Series base station to connect to mobile phone
- Sennheiser Voice Clarity – wideband sound for a natural listening experience
