MM 30G WHITE

 **SENNHEISER**

MM 30G WHITE

The Sennheiser MM 30G in-ear headset is made especially for users of the latest generation of Samsung Galaxy devices. It features an in-line remote control with microphone giving you full control over the sound and calls in your Galaxy. High-end speakers, the ear-canal design and customized ear-sleeves all together ensure effective noise blocking and superior stereo sound.

Benefits and Features:

- Perfect fit to your Galaxy – made for the latest generations of Samsung Galaxy Smartphones & tablets*
- Music control in your Galaxy – the in-line remote enables you to easily play/pause your music*
- Call control in your Galaxy – the in-line remote control with integrated microphone makes it easy to take/end calls
- Volume control in your Galaxy - change volume level on the in-line remote control
- Effective noise blocking – ear-canal design for effective passive attenuation of ambient noise
- The sound your Galaxy deserves – thanks to the high-end dynamic speakers giving superior bass driven Sennheiser stereo sound
- Comfortable custom fit – due to 3 sizes of ear sleeves (S/M/L) supplied
- Peace of mind - 2-years international warranty
