Bluetooth® Mono Headset
for Easy Calls

EZX 70

EZX 70

The Sennheiser EZX 70 Bluetooth® mono headset is the perfect hands-free Smartphone companion on the road for easy calls and safer conversation while driving. The slim and lightweight headset features, HD voice and sound, voice prompts and A2DP streaming allowing you to enjoy your mobile content in-between calls. Offers up to 8 hours talk time and convenient USB charging.

Benefits and Features:

- Easy Calls – with Bluetooth® 3.0 technology and multifunction button.
- Your hands-free mobile companion - allow you to carry out a safer conversation while driving.
- Talk for hours – up to 8 hours talk time and 10 days standby time.
- Best in class microphone – digital noise reduction.
- Clear & natural speech - HD voice and sound for optimal sound experience.
- Enjoy your smartphones' media content - A2DP streaming allows you to stream music, route guidance, podcast etc. sent via BT in-between your calls.
- Tells you how it's doing – via voice prompted status for talk time and connection.
- Real-time battery monitoring – headset battery status indicator on your iPhone® screen.
- Slim and lightweight design – great comfort and look with only 9 grams.
- Convenient multi-connectivity – connect two devices simultaneously - phones and computers.
- Convenient charging – via USB charging cable.
- Quick charging - 1h 20 minutes charging time.
- Peace of Mind – two-year international warranty.
