Classic Line

 **SENNHEISER**

Classic Line

An excellent symbiosis of design and performance, the Classic Series from Sennheiser lets you enjoy high-quality sound without compromising your own unique style. Whether you choose a high bass or balanced sound model, you can be assured of a uniquely refined look with a translucent housing and debossed logo. A handy cable clip and convenient cable management pouch completes the package and helps you keep your wires neat and tidy.

CX 880

A sophisticated classic – the CX 880 ear canal phones are such and more! They exude an understated elegance and are a simple way to power up your professional image. The chrome plated parts and metallic hairlines add updated interest while their highly advanced acoustic systems and diaphragm guards produce a high-fidelity lifelike sound. These ear canal phones are matched with dual hardness silicon ear adaptors, ensuring a comfort fit and high passive attenuation of ambient noise. For your convenience, a newly-designed volume control with a horizontal rotary knob, has been integrated on the cable. A cable clip, cleaning tool as well as a leather storage pouch, which also functions as a cable winder, complete the package.

- Sophisticated ergonomic design with highly advanced acoustic systems
- Silicon ear adaptors for a personalised comfort fit
- Diaphragm guards for an enhanced audio performance
- Integrated volume control and storage pouch for enhanced usability and convenience
- Optimised for MP3, iPod, iPhone and portable media players

CX 870

If you are looking for earphones with minimalist and understated elegance, look no further than the CX 870 ear canal phones. Their chrome plated parts add a touch of shimmer for a look that is classic with a contemporary flair.

- Sophisticated ergonomic design with high performance dynamic speaker systems
- Silicon ear adaptors for a personalised comfort fit
- Diaphragm guards for an enhanced audio performance
- Optimised for MP3, iPod, iPhone and portable media players

OCX 880

Opt for classic, sleek and sophistication with a twist. A hybrid pair of ear canal phones with ear hooks, the OCX 880 are the perfect example of refined individuality. Their ear hooks follow the contours of your ears, providing an intimate, custom fit for a comfortable listening experience.

- Ergonomic ear hooks for optimal wearing comfort
- Silicon ear adaptors for a personalised comfort fit
- Diaphragm guards for an enhanced audio performance
- Integrated volume control and storage pouch for enhanced usability and convenience
- Optimised for MP3, iPod, iPhone and portable media players

MX 880

In the MX 880 earphones, you have a classic wearing style updated with coveted details: chrome plated parts for extra appeal and metallic hairlines for a subtle glittering effect. And for your convenience, a newly-designed volume control with a horizontal rotary knob, has been integrated on the cable.

- Sophisticated ergonomic design with high performance dynamic speaker systems
- Integrated volume control for enhanced usability and convenience
- Optimised for MP3, iPod, iPhone and portable media players
