

VoiceMax™ for crystal-clear speech

VMX 200

 **SENNHEISER**

VMX 200

Discreet in size, the elegant VMX 200 features a robust steel casing packed with renowned Sennheiser sound quality and new cutting-edge VoiceMax™. This technology uses two microphones: one emphasizes the user's voice and works in sync with the other which removes noise – ensuring crystal-clear speech even in a fast-moving car.

Benefits and Features:

- VoiceMax™ technology – dual microphones that work in sync to emphasize voice and remove noise for crystal-clear speech
- Extremely small and lightweight – for hours of conversations on the go in comfort
- Award-winning design – elegant and robust with steel housing
- Convenient multi-connection – connect to 2 devices simultaneously
- Multiple wearing style – wear left or right, use with or without ear hook
- Hours of use – 6 hours of talk time, 10 days of stand-by time
- Versatile charging options – via AC adapter for wall charging or USB cable
- Easy call control – 3 buttons for simple, intuitive control of multiple functions
