

Data protection and privacy statement

Your data (name and email address) will be stored and processed by our company (Sennheiser electronic GmbH & Co KG, Am Labor 1, 30900 Wedemark, Germany ("Sennheiser")) and therefore contracted third party for the sole purpose of delivering product information and general information about our company and our products by email to your given email address.

The data are provided via a form we make available online on the internet. The disclosure of your data is voluntarily. If you want to receive information by email, the disclosure of your email address a name and the country is required.

To deliver the requested information to you, we will transfer your data to the affiliated Sennheiser company or to the contracted partner you can identify by choosing your home country on:

<http://en-de.sennheiser.com/service-support-contact-service-partner-worldwide>.

You may object against the processing of your personal data at any time, by giving notice to us or by using the link you will find in each of our newsletters.

Any further use or transfer of your personal data to any third party is precluded. If you wish to get information about your personal data we process, please contact us. Please also contact us if you want to correct or to block your personal data or if you want to have it deleted.
