

Comfort and Flexibility

GSP 107

GSP 107

If you've been looking for a better gaming audio experience, then the GSP 107 is for you. It will give you the sonic boost you're after – and it'll do so in comfort and style. The open designed ear cups keep your head cooled down while gaming, and the cushioned ear pads provide added comfort for your ears. The GSP 107 is also both, durable and extremely lightweight.

Benefits and Features:

- The open acoustic ear cups keep your head cool for hours of gaming
- Noise-cancelling microphone provides crystal clear communication with teammates
- Tough design and top quality materials make the GSP 107 a keeper
- PCV 07 Combo Audio Adaptor – for compatibility with Mac, PS4™ & consoles with 3.5 mm jack input
